

WE OFFER COURSES IN NEURO MUSCULOSKELETAL PHYSIOTHERAPY BASED ON THE MAITLAND® CONCEPT. WE CONTINUOUSLY REFLECT ON THE PRINCIPLES OF THE MAITLAND® CONCEPT AND DEVELOP THEM FURTHER TO MEET THE NEEDS OF MODERN DAY PHYSIOTHERAPY.

WE ARE CLINICIANS WHO TEACH CLINICIANS. TEACHING IS OUR PASSION. WE CARE DEEPLY ABOUT THE INDIVIDUAL DEVELOPMENT OF OUR PARTICIPANTS. WE DO SO BY STIMULATING CLINICAL THINKING. WE TAKE TIME TO PRACTICE AND GIVE INDIVIDUAL FEEDBACK. WE HELP OUR PARTICIPANTS TO IMPLEMENT THEIR SKILLS INTO THEIR DAILY PRACTICE.

WE WILL CONTINUE TO STRENGTHEN OUR EXISTING STRUCTURE AND CURRICULUM, BUILD FURTHER COOPERATION WITH STRONG INTERNATIONAL PARTNERS AND EXPAND OUR EXISTING NETWORK. WE WILL DO SO IN ORDER TO PROMOTE THE INTERNATIONAL RECOGNITION OF THE QUALIFICATION OF OUR PARTICIPANTS IN PHYSIOTHERAPY WORLDWIDE.

OUR PROGRAMME IS LINKED WITH PROGRAMMES OFFERING QUALIFICATIONS IN ORTHOPAEDIC MANUAL PHYSIOTHERAPY (OMPT-TITLE) RECOGNISED BY THE INTERNATIONAL FEDERATION OF ORTHOPAEDIC MANIPULATIVE PHYSICAL THERAPISTS (IFOMPT). WE AIM TO CREATE ADDITIONAL OPPORTUNITIES FOR OUR PARTICIPANTS TO GRADUATE WITH AN ACADEMIC DEGREE.
